Dear Sir,

Gujarat Industrial Development Corporation is pleased to inform you that the building plans sent by you, are approved for construction based on the document submitted by you, subject to following conditions.

1. The plot has been allotted to you and the possession of the same has been taken over by you and dimensions of the plot shown in the plan are same as per site. If any discrepancy found, construction is to be started after confirmation & clarification with sub division office.
2. The structural design and soundness of proposed construction work is not checked by this office. As per the resolution from government of Gujarat dated 29-05-2001 for structural safety including provision under the articles 13-14 and 15, safety against natural/man-made calamities, including quality of construction material, its testing and safety is entirely at the risk and cost of your own, Architect, Structural Engineer, Engineer, Clerk.
3. You will have to obtain separate approval from Chief Factory Inspector before starting any work.
4. The compound wall is to be constructed in such a way that other surface of the foundation masonry should be inside the boundary between the plots or plot and road i.e. no construction should project in the plot of other/s plot holders or road side.
5. All the gates of compound wall should open inward and be provided with stop, which will prevent the gate from opening outward in front path of the road.
6. Barbed wire fencing or compound wall shall be within the plot boundaries of owner's own plot.
7. Separate drawing for construction of compound wall will have to be submitted for approval, if required.
8. You will have to obtain approval of local authorities and other concerned authorities also as per requirement.
